Healer License Boards is

### CEUs

The most phone calls the NTCB received this month centered around "How do I find classes to earn CEUs (Continuing Education Units) for recertification?" This issue features some suggestions.

### QUANTUM CENTER EVENTS

The Quantum Masters World Tour Events is now open for registration in Arizona, Colorado, New York, Northern California, Washington, Canada & Europe!

Also, please notice that we are increasing our number of webinars (online training) that are held on the World Wide Web - so as long as you have a telephone and an internet connection, you can participate from anywhere in the world!

Attention Life Practitioners - If you have already completed the CBT Level 2 Intermediate Workshop with CIHS and handed in your course assignments which include your informed consent form, code of ethics and scope of practice then you are ready to begin your CBS studies through CIHS. The 8 week biofeedback coaching course is now available through the website [www.bioenergeticoach.org](http://www.bioenergeticoach.org) starting Wednesday Feb. 27th 2008 at 7:00pm. Please visit the website for more information.

CIHS also offers an anatomy & physiology (APP10) correspondence course which earns 150 hours/40 CEU's. This course is a pre-requisite of all courses at CIHS. They also offer a 6 month University level APP but it is much harder. Students earn 350 hours on this course and it is a requirement for the CIHS Diploma courses. ## **MEDICAL BIOFEEDBACK ASSOCIATION**

The Medical Biofeedback Association and Certification Board is formed to properly train the medical community in the proper medical model for supervising qualified biofeedback technicians. Specifically, MBACB offers membership and supervision training and assistance to licensed Chiropractors, Dentists, Medical Doctors, Osteopaths, Psychologists, Psychotherapists and Veterinarians. Please visit <http://medicalbiofeedback.com> for more information.

The MBACB works with the NTCB for certification of company technicians:
