NTCB Notes

Happy New Year to All - may you live this year in abundance, harmony, gratitude and love.

For those if you paying for your certification/certificates by credit card, please note that you receive a *Thank you* page and email confirming your charges. Your credit card statement will show this payment is made to **IPX Services**. If you refuse this charge, your certification will be revoked. We have several members who have done this two times in a row. If this continues, we will publish a list of members who are not in good standing. Thank you for your cooperation.

Attention BANA/TNTANA/MBACB Members

BANA, TNTANA, and MBACB have switched to a new webhosting company, Qhiron. Qhiron offers easy to use software that you don't have to be a website builder to understand, plus great benefits such as free email addresses for your business, unlimited website space, unlimited website access (bandwidth), free email autoresponders, and good tech support. For a fee, you can also hire Qhiron to design your site; members of the three associations receive a discount for that service.

The associations are sending out letters to their members to tell you all about the switch, so if you're a member look for an email or snail mail letter soon! If you have any questions, please call Sara Greer, Executive Director, at 1-800-710-1539 ext 2. Thank you!
