### Accredited Organization Updates

#### Mind Energy Coach Course/Certification Now Available

Due to popular demand for more web-based accredited training programs, Human Growth, Development and Recovery Phase 1: "Core Foundations" for Certified Biofeedback Specialists is now complete and available online in a standardized pre-recorded format through their website. (There will soon be a version of this course for non-biofeedback users utilizing the arts of Relaxation Training, Guided Imagery and NLP eye movement exercises.). For more information, please visit their website at [www.mindnrg.org](http://www.mindnrg.org)

New students may register by calling Mind NRG's Registration Manager, Laurel Miller, toll free at (800) 831-2398. Skype users can also utilize the no-cost Skype to Skype calling system by using their Skype name: iss.mindnrg. If you prefer, you can also Skype them a message with your landline number so that they may call you back at a convenient time. If you call/register right away, you will be allowed the significant early bird discount rate of \$295, plus they will waive the test processing fee.

Those who have completed the course and need to take the test must first scan their email receipt or certification from the course and mail to : [gage@mindnrg.org](mailto:gage@mindnrg.org) Then call Laurel toll free at 800-831-2398 to register for the test. The webmaster will then schedule a 3 day window through which you can access the test online.

To become certified by the NTCB as a Mind Energy Coach, please follow these [instructions](#).

#### BrainPaint

BrainPaint is a Neurofeedback system that automates evidence-based protocols used to improve and restore activity related to brain function. A component of BrainPaint is a computerized version of the same manual endorsed by the Human Subjects Review Committee at UCLA for one of the largest randomized control studies in the field. This assessment tool along with initial and on-going education enables new clinicians to become competent and confident practitioners before long. For more information or to learn how you can earn CEU's toward NTCB Certification, visit their Website by [clicking here](#)/ or contacting Cora Scott, President, at (310) 573-9979 x81.

## [Universal Reflexology](#)

Universal Reflexology has revised its basic Foot Reflexology training (under-graduate program) lifting it from 150 hours (more than any other similar program in Canada) to 250 hours. Enhancements include delivering their programs through the virtual classroom. The program utilizes graphics, videos, power points, telecommunications, which allows students the luxury of time and direction from the faculty to precede one lesson at a time. Plus UR has added a bonus of a free startup your own clinic program from their Entrepreneur's Training faculty which.
