NATURAL THERAPIES CERTIFICATION BOARD NEWS

May 17, 2011

✚ News Briefs:

- The Natural Therapies Practitioner designation has been changed to Natural Therapies Technician - <http://www.ntcb.org/types/natural/requirements.html>. Please review the blueprint requirements if you would like to attain this designation.
- By special arrangement with NTCB, Stacey Hall's 'AromaWellness in the Palm of Your Hand' podcasts have been approved for CEUs for continuing education. Each 30 minute session equals .5 CEUs. You may access over 160 podcasts at: <http://www.talkshoe.com/tc/31423> . Stacey is a Licensed Spiritual Healer, a Certified Healing Coach, a NTCB Certified Aromatherapy Coach and CARE-Certified Raindrop Technique Practitioner, and a Licensed and Certified NIA Technique Instructor. She is also author of the forthcoming book Chi-To-Be! Achieving Your Ultimate B-All™.
- HR5786, the legislation which would have put companies making natural bath and bodycare products out of business, died in committee at the end of the 111th Congress. However, it may be about to come back from the dead for the 112th Congress thanks to lobbying efforts by one of its main backers, the Environmental Working Group. EWG has begun to send out emails to its supporters, urging them to contact their congressperson and demand the bill's passage. - Just a reminder that all designations are \$65.00/year (except for Supervisors and/or Instructors). I.C.E. (who we are accredited by) has advised that offering a second designation at reduced fees is not appropriate for a credentialing board. You may request additional designations if you qualify, but each one is \$65/year.

✚ Clarification

When you are renewing your certification, please fill out a Recertification Application - not a Certification form that is used to apply for a new certification.

We receive many calls and emails every. Calls and Emails are returned in the order they are received Monday - Thursday. If you are inquiring about whether we received your fax or check, answers will be returned by email. Thank you for your support and patience.

Is your certification expiring?

Check your certificate or email us for your expiration date. Visit our website at <http://ntcb.org/apply.html> and follow the instructions to pay online and download a recertification form for your designation. You may also mail your recertification into headquarters (address on the application). Each designation is \$65/year.
