NATURAL THERAPIES CERTIFICATION

BOARD NEWS

November 7, 2011

New Raindrop Designation

NTCB and CARE have approved the Escent-Oil Balance Program to certify Raindrop Practitioners or Specialists in Animal Raindrop. All candidates for the CRP-A or BCRS-A designation must first complete the CARE Basic Training, another approved program of similar instruction, or credit for life experience, before beginning the Escent-Oil Balance Program which leads to certification as a CRP-A or BCRS-A. All candidates must also complete the Correspondence Courses, Basic Skills Workshop and Aromatherapy Intensive Paradigm. (Please see Healer Coach and/or the Aromatherapy Coach websites for more information, or contact Terry Robinette at the NTCW at ntcoach@gmail.com.)

The EB Certification process is detailed on the EB website and involves 210 hours of earned credit. The program consists of the following components detailed on the [NTCB website](#).

Biofeedback Coursework Announcements

RESEARCH BEHIND BIOFEEDBACK

Visit <http://biofeedbackedu.com/scientificbasis.html> to watch “The Scientific Basis of Biofeedback”, an 11 minute DVD explaining the research behind biofeedback and the development of biofeedback technology, including the L.I.F.E. System. This DVD is designed to show the validity of energy medicine and can be linked to your business website.

BUILDING ON THE BASICS COURSE

This webinar course with NTCB-certified instructor Brenda Judah is for practitioners who have had basic training in using the L.I.F.E. System but would like a refresher course and further help with each L.I.F.E. profile. The course is designed for those applying for biofeedback certification through the NTCB, but did not receive training from an approved NTCB certification organization.

This is a review of the basics, the legalities, as well as an in-depth instruction of all LIFE panels and much more... The practical instruction will be modified with a questionnaire to meet individual needs. A thorough question and answer time will also be included within the course.

For more information, please visit <http://www.biofeedbackedu.com>

Instructor: Brenda Judah, CBS, CB I

Brenda has eight years personal and professional experience using both the QX SCIO and the L.I.F.E. System. She has trained practitioners in both systems. She is certified with the Natural Therapies Certification Board and has a successful business in Bonita Springs, Florida.

STRESS MANAGEMENT COURSE

ISS Stress Management 101 Course: New Content Added: "Raynaud's Phenomenon" and PowerPoints to make presentations about Stress Management. The vision for this course provides in-depth instruction on areas science has validated biofeedback as a viable intervention for. The course covers Anxiety 101, Stress and Adrenals 101, Hypertension 101, Pain 101, Bruxism 101 and Stress and Sugar Regulation 101, but ISS has added new content: For more information, please contact Gage Tarrant at <mailto:gage@mindnrg.org>

VITAL CONNECTION UNIVERSITY - TRADITIONAL BIOFEEDBACK TRAINING

with Kathryn Wilson, MA ND, QBS, DQB

Traditional Biofeedback Educational Training: This educational teaching method will help you to understand biofeedback, how it works with the human body, where we come into play with educating our clients, and how our clients learn to take this information to help themselves lead a healthier, stress free life style. Within this course are 14 individual class on-line dates or assignments, designed to take you into the biofeedback field, and simplify the complex components which make biofeedback work so efficiently. This class will provide you the foundation to know you have the training necessary and the understanding which is imperative in the field of biofeedback and as a preparation for taking your biofeedback certification test.

VITAL CONNECTION UNIVERSITY - SCIO AND QXCI BIOFEEDBACK TRAINING

with Kathryn Wilson, MA ND, QBS, DQB

A detailed training of the Clasp 32 program, basic through advanced, and includes information for those who utilize the Bodyviewer and Iridology panels. Each module takes you into detail for the level of learning which you currently possess and helps you progress through the process of education. Also provided with each class is a small quiz following the module, this will allow you confidence that you have learned the necessary steps, and if not give you indications where you may need to go back and re-watch that particular module. A manual is included within this all-inclusive program allowing you to read and make notes for the specific module relevant to the visual module.
