Energy Surges to feel in control more completely, improve inter-personal relationships more deeply, and achieve their goals with greater velocity and ease. This is accomplished by the facilitation of seminars, hands-on workshops, and the publication of various books and other training materials along with the integration of therapeutic applications of essential oils. Participants have the opportunity to become certified as a [Chi-To-Be! Coach](#), [Chi-To-Be! Chi-Generating Oil Anointing Technique Specialist](#), and/or [Chi-To-Be! Quantum Biofeedback

Because of all the controversy surrounding the term "quantum biofeedback" several experts in the field are suggesting non-licensed practitioners consider styling themselves as wellness coaches or wellness facilitators. Your previous training to become a Quantum Biofeedback Specialist also qualifies you to become a Quantum Wellness Coach or Quantum Health Coach, once you pass the Specialist Exam.
